HOW TO FIND US...

New Street is one way at its junction with Worcester Rd and the High Street. Therefore coming from Malvern you cannot go straight across the crossroads. The easiest route is to turn right at the traffic lights into the High St, turn left into Bye St, turn left into Woodleigh Rd then turn left into New Street.

About 200 meters after Woodleigh Rd, on the left hand side is the Elgar HA Herefordshire Area Office. (Opposite Somerfield).

At the end of that block of buildings, on the left hand side, there is an access road that takes you round the back of these properties, sign posted Harling Court. There is a Car Park at the top of this access road on the right hand side.
